Sir:

In response to the Office Action dated March 22, 2005, Applicant herein elects to prosecute Species I in the present Application. More specifically, Species I includes claims 1-4, 6, 7 and 11-14 related to an anti-rotation device for a pipe and a connector to restrain relative rotational movement of a pipe and a connector. A one-month extension, with fees attached, is hereby requested.

Listing of Claims begins on page 2 of this paper.

Remarks begin on page 7 of this paper.
